### CURRENT SITUATION

*(Recent updates are posted at the top of Current Situation)*

On July 29, 2015 at approx. 9:23 p.m., the City of Riverside Fire Department responded to a report of smoke coming from an apartment at the Ramona Oak Apartment complex of 3401 Ramona Oaks. Fire department units arrived to find a fully involved apartment on fire with an attic fire. A second alarm was immediately requested. Fire personnel made an aggressive fire attack coordinated with ventilation and were able to keep the fire from progressing from the apartment of origin. RPD was requested for immediate traffic control. Fire crews had to lay a hydrant supply line across Olivewood and close Olivewood to traffic in both directions. Three other apartments were affected from water and smoke damage. A total of 11 residents were displaced from the incident. During the incident a mother was concerned that her 1 y/o daughter may have breathed in some smoke while escaping the apartment. The 1 y/o female was assessed by fire department paramedics and AMR. The 1 y/o female was not transported after assessment. Red Cross responded to the incident to assist with the displaced residents. The fire cause was determined to be accidental from a cooking fire in the kitchen. There were no firefighter or civilian injuries. A total of 32 firefighters responded to the incident. Firefighters were able to save approx. \$400,000 with a loss of \$76,000.
